# Academics

The buildings of West Chester University are an important part of the heritage gained by those who attend West Chester. They connect the students and community members across the generations. When students walk the halls of the academic buildings such as Main and Ruby Jones Halls, they walk the same path that many others have before them. The students of WCU can appreciate the campus architecture not only for the learning experiences gained within these educational walls, but for the history that they represent.

The time each student spends at West Chester University is divided among the various academic and residence halls. This is truly a home away from home.

— A. Gilbert

# Academic Festival

Learn and have fun!!

The Academic Festival occurs every Fall at West Chester University. It provides a break from classes while offering opportunities for students to expand their minds in many ways. Lectures are offered on many different topics throughout the day and after the festival the festivities provide fun for all participating. Besides being a day off from classes, this day gives students a chance to interact with speakers from around the community and the country. It is truly a great opportunity.

# Student Life

Welcome to Student Life, a section in the book where we like to give you a brief tour of the crazy happenings in and around campus. It's also the chance to witness students, in action, carrying out their everyday lives here at West Chester University. Between study time at the Library, lunch at the "Caf", classes everywhere, and trying to find that one hour in the day to take a power nap, students quickly learn that life at West Chester University is never without excitement.

# Free Time

Finally, time to sit back and relax!

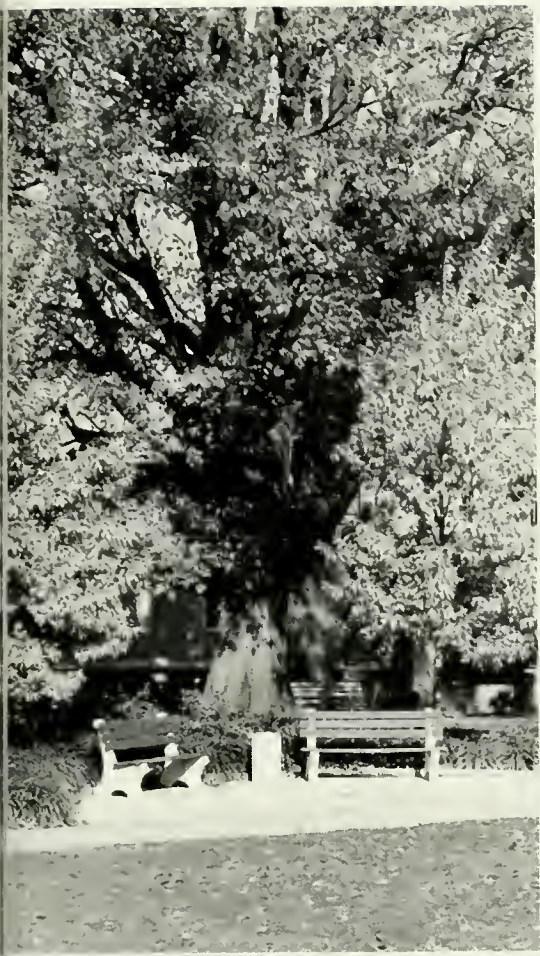

With the crazy schedule of work and classes, homework and projects, eating and sleeping, students find many ways to enjoy the little bit of free time they have. Just walk around campus during the Spring and you will find students sitting under a tree reading and enjoying the shade. Or you might find a baseball game or ultimate frisbee game happening on Swope's front lawn. Let's not forget the basketball or vollyball games going on in the Residential Quad. During the Winter you will find families of snowpeople on the grounds of every dorm. You might even walk into a massive snowball fight in the Acedemic Quad. Whatever it is that students do during their free time here at West Chester University, it is time well appreciated.

# Familiar Sights

# The Community

As you walk through the borough of West Chester, take a look around. Depending on what time it is, you will see many people are around, walking from one place to another, on their lunch break or just hanging out. Notice the familiar streets and stores that have become part of our every day lives. But before you take for granted the familiar places within the community, remember the hidden beauty of the town you live in. Stop to take a look around and notice the many sights of West Chester. Some you have seen before—the popular restaurants and bars, and the fast food places. Others are hidden and only found when you look closely and recognize the beauty within the gardens, old buildings and historical sights. So next time you're walking aimlessly through West Chester, stop, look, and absorb the beauty that surrounds you.

— J. Corzine

# Events

During the school year, many different events take place that involve students, faculty, administration and the community. There are various activities and festivals the students develop to make life at WCU fun and interesting. Guest speakers, LUVIM programs, Homecoming, academic festivals, banana day, blood drive, dance productions, and battle of the bands are all events students can witness during their schooling at WCU. Each is important for the student body if they choose to attend because the programs are co-sponsored by students, faculty and administration and show school spirit and unity among all.

# Move In

*“I live on the seventh floor and the elevators are broken!”*

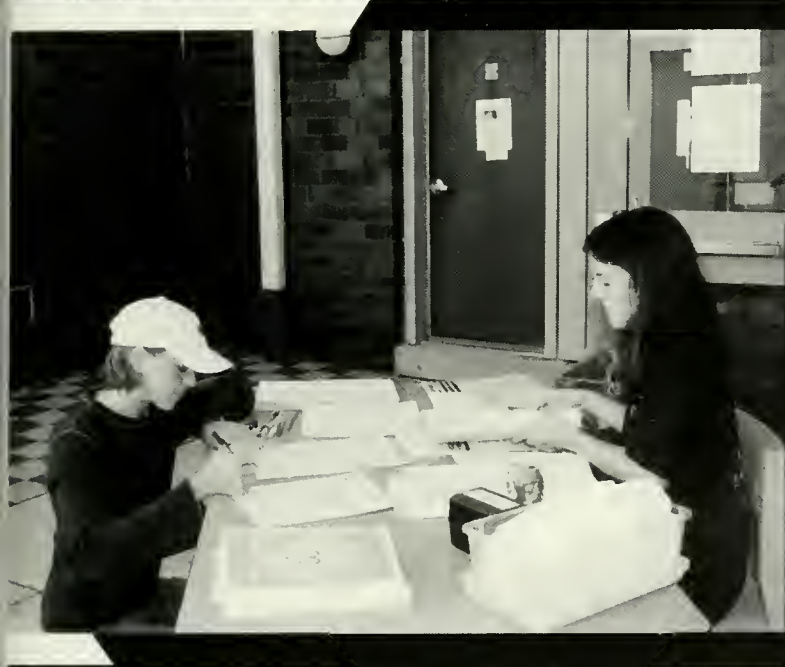

Summer's over, time to pack up the car and head back to school. Just when you were getting used to being around the family, it's time to say goodbye for another semester. It's also a day to be reunited with friends you may have lost touch with over the break and catch up on good times. Hoping you're ready to face the days ahead, you anxiously set out to enjoy another semester here at West Chester University.

# Battle of the Bands

*A battle for first place!*

It isn't just a battle of wits anymore. For the past few years, talented students have been battling for first place-over music!

**The Battle of the Bands** is an event that takes place each year rain or shine. It allows students to get involved on campus while showing off their talent and expressing themselves through their music. This event is sponsored by the Student Activities Council to provide a fun-filled night. Each year bands playing original music sign up to see who will win first place. The preliminary's are held each Fall semester and the finals are held in the Spring. Not just anyone can compete however. Certain requirements must be met by each band to qualify for the prelims. The bands must be formed by West Chester University students and they must play original music.

# Homecoming Weekend

## *The Parade and Pep Rally!*

Homecoming weekend is a time when all West Chester University students put on their purple and gold and root for the Rams football team. The weekend starts Friday night with a roaring Pep Rally held in Ehringer Gymnasium. Followed then by a kicking parade Saturday morning, with numerous floats and participants representing various organizations and residence halls here at West Chester. Among those in the parade are the year's Homecoming Court complete with King and Queen. This year's King and Queen were Jamar Daniels and Angela Mace. Finally, the weekend ends with the big game. This year the Rams fought hard against Millersville for what turned out to be an exciting game. At half time the King and Queen along with their court were presented again as President Adler gave her congratulations to them and to University Theater for their magnificent float. As a whole the weekend proved to be a wonderful time to be a West Chester University Ram.

Fred Greenstein spoke at WCU and focused on What We Need in the Oval Office. He has written eight books on the American Presidency including "The Presidential Difference: Leadership Style from FDR to Clinton." # Elie Wiesel

**E**lie Wiesel has written plays, poetry, essays and works of fiction in attempt to come to grips with his experience in Nazi concentration camps. His writing is considered some of the most passionate and powerful of all Holocaust writing. Beginning with the publication of "Night" in 1960, Wiesel began a series of works which "bear witness," question God, and challenge man. Even though Wiesel's stories tend to focus more on the Jewish experience, many critics insist their relevance lies within the author's ability to speak to all persecuted people and for humanity.

Wiesel has received humanitarian and literary awards including the Prix Medicis, the Congressional Gold Medal, and the Joseph Prize for Human Rights. He also received the Noble Peace Prize in 1986 for his work in keeping the memory of the Holocaust alive so history would not repeat itself.

Egil Aarvik, Chairman of the Norwegian Nobel Committee said, "Wiesel is a messenger to mankind...His message is one of peace, atonement, and human dignity. His belief that the forces fighting evil in the world can be victorious is a hard-won belief...repeated and deepened through the works of a great author.

Sports require more than just putting in your two hours of **practice** each day, showing up an hour early to warm up and then exerting all of your **energy** for that game, not knowing whether or not you will leave with a winner's high or needing an attitude adjustment about the way the game ended. No matter what sport students **dedicated** their lives to, they knew they had to **eat, breath, and sleep** with the people on their team, their coaches, and with the attitude of being the **best**. Not only did players and coaches expect a strong performance, **fans** also wanted to see their teams carry on a winning name for West Chester. Of course, all of this was so that they could perform their best and **prove** to the rest of the world that West Chester University **commits** itself to excellence when it comes to sports.

# Bitter Sweet

## Tough Playing, but No Proof

The WCU football team definitely had a **memorable season**, bringing home two wins and nine losses. Their two **stellar** games included playing against Mansfield and Cheyney. Running back Don Defilipo **scored** three out of the first five touchdowns scored in the first half of the game against Mansfield. In the game against Cheyney, Senior Quarterback Mike Mitros scored four **touchdown** passes. In both of these two games, the Rams played **tough** to make their fans **proud**.

Even when losing, the Rams still never gave up and played with **pride**. In their grueling loss against Delaware they managed 210 yards of total **offense**, the second most permitted by Delaware this season. The Rams had a shaky year, but with players such as Rashieem Reed who was named a second Team **All-Star** for his season, the Rams hope to be back to claim **victory** next season.

# Very Nice!

## Lady Rams sweep the field

With a season as **good** as this year's, the Lady Rams have a lot to be **proud** of. Four Lady's played hard enough to earn Four All-PSAC soccer **honors**. Senior Christina Almquist, earned her second All-PSAC this year while Junior Jill Bartlett, Freshman Ryan Levine, and Senior Kristin Aspromonti made their first appearance with All-PSAC team honors. The players **roughed** it out on the field to take their title to ECAC playoffs winning the most **important** game of the sea-

son in Erie, PA.

Among other **vital** games of the season included the victory against New York Tech on Long Island. The lady Rams **scored** six of their goals in the first twelve minutes. Leading the offense was senior Kristin Aspromonti, scoring six times with two assists, totaling a **whopping** 14 points.

With all the **dedication** the team had this year it was definitely shown on the field. The lady Rams brought home a **spirit** that WCU should be proud to call their own.

The **team** has not seen such a **victory** since 1994. They began the **season** with three straight **shutouts**. Goalkeeper Junior Sean Gablehouse was partly to blame. He kept the **defense** strong for over 270 minutes against Goldey Beacon, District of Columbia, and Columbia Un-

ion. Among other **strong** players on the team included Junior Forward Paul Avagiano and Senior back Thatcher Book who were each named All-PSAC for the **first** time in their careers. The eleven **wins** kept the Rams playing **proud** and strong throughout the **season**. Even though their **final** game with Concordia was a loss, they still walked off the field with their heads held **high** because of **sweet** victory.

such as placing **first** in the WC Homecoming Event with a finish time of 15:46. As predicted, the season proved to finish **strong**.

The girls **started** the season with two losses, but **picked** themselves up in their third game of the season against UMBC. This game made the girls **work** hard to keep their winning streak for the

# FINALS?

## Long time no play

The Lady Rams had a promising season with a new head coach and plenty of time to

get fired up for the new season. Since finals were moved from the Fall to the Spring, new coach Greg Stipa had 18 months to prep his team for the big win.

Stipa took over the Lady Rams during the summer and quickly led the team to a 3-3 standing at the seasons' start. Throughout the rest of the season, the Lady Rams played hard with key players. Janelle Loeb, Kylee Johnson were third doubles winners and Kelley

Dodgson won second doubles against California PA. Loeb overall

had 10 victories while Johnson and freshman Beth Colarusso each had nine. Rachael Wexler,

another strong player is #1 playing singles.

The Lady Rams made it to the PSAC East where they upset PSAC rivals California, Kutztown and Edinboro but were beaten by Shippensburg in the quarterfinals. The Rams finished 5th in the PSAC Championships.

# Best Win Yet

## Third time is a charm

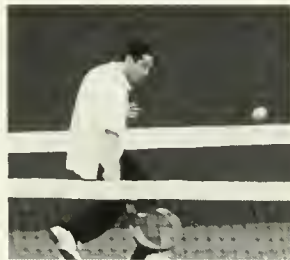

As many other sports teams do, the WCU tennis team started the 2000-2001 season with hopes and dreams of having a **victorious** season. Little did they know what the season would hold for them. Finishing the season with a **10-7** record, the Rams had their best win since 1992. This is only the third time since 1985 the tennis team had 10 wins. Noone keeping track of the teams **wins** would have expected anything less with players such as John Ellis and John Considine. These Rams helped **sweep** Eastern and Cabrini and allowed Ellis to claim two of the

four players of the **week** awards. The Rams usual lineup consisted of Ellis, Considine, Dan Renn, Brett Dulimpo, Keith McCaffrey and Brian Stricker respectively. At one point during the season Ellis was **rested** and the team still went on to win 25-0. The Rams finished **3rd** at PSAC after a quarterfinals victory over East Stroudsburg.

## and a bit of extra swimming!

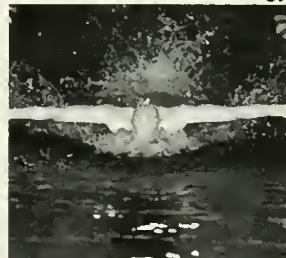

This season proved nothing but **perfect** for the WCU swim team. The Rams swept every team they **competed** against this season, showing each opponent what they were up against. Swimmers such as sophomore Corey Dennis, who was named PSAC Athlete of the Year, and freshman Melissa DeBellis, who was named Women's Rookie of the Year, **dominated** the winning streaks. Also, junior Todd Albert brought home the men's Athlete of the Year award. Dennis helped the team place fifth at Nationals this year in the NCAA National Division II meet. She took

the 100 fly in 56.31, five seconds **faster** than last year. DeBellis was part of the 800 free relay squad that finished third in a **record** time of 7:37.80. Albert also claimed third with his free relay team setting a record of 1:23.51 and placing 7th in the 50 free on the opening day of **competition**.

The rest of the team did not just watch these three do all of the hard work. They brought home wins against teams such as Shippenburg and Rowan. After it all was over, they **celebrated** a proud season.

## Their work is a balancing act!

Three is the **lucky** number for the West Chester Women's Gymnastics team this season. They finished third in the 2001 Eastern College Athletic Conference this year, and they also finished the season with the third **best** score ever in WCU history. The girls ended with a 4-9 overall, but proved it was nothing to be ashamed of. Their competitive drive took five of them all the way to Davis, CA, where they competed in Nationals. Even though they only made it through one round, their work was still something to **boast** about. Junior Jaime Beaver finished 14th out of 58 on the vault scoring a 9.525,

her **highest** in the season. Beaver's score also matched sophomore Beth McGinty for the third best score in school history. McGinty finished 25th on the vault. Senior Holly Slicker took 24th overall, turning in a score of 36.1. Earlier in the season, the girls competed in the ECAC's in Bridgeport finishing third with a team score of 181.825, and also setting a team **record** on the balance beam. The rest of their season was not too shabby either, winning against teams such as Springfield College and Temple. — S. Danitz

# Nationals...

here we come!

Ending the season ahead in wins is always a plus for any team. This year the Men's WCU Basketball team **finished** with 103 wins and 95 losses. Totaling the two numbers up, that is a lot of **playing time**. The team's **dedication** and **determination** took them all the way to the National Championships in South Carolina for the fourth time in eight years. They also reached the **finals** of the PA State Athletic Conference Championships for the fourth time as well.

Getting this far requires **talent**

on the team. Senior Joe Meade's talent named him the PSAC East Player of the Year, while senior Tyariq Corbin and Meade were both named the All-PSAC East First Team. Corbin held a 14.8 ppg. average, topped the team in **steals**, and was second on the club in **rebounding** and blocked shots. Meade was quoted as one of the best players and free throw **shooters** in the nation. With players such as these, it is no **wonder** that the team got as far as they did this year. — S. Danitz

# Ready or Not!

Here they come, ready to win!

The lady rams had a good but tough season this year. Several of their key players returned for the 2000-2001 season, ready for whatever came their way.

The lady rams worked hard this season and finished 23-6 and 10-2 for the PSAC East.

This year the Golden Rams made it to the PSAC semi-finals where they lost to the Red Raiders and NCAA Division II semi-finals where they met their fate against Bloomsburg U. falling 91-87.

Despite the two semi-finals upset, these lady rams had a tremendous season. Four of their players earned All-PSAC East honors: Akeria Timothy, Kiera Manlove, Haille Rouin and Amy MacDonald. In addition to those honors another player, Kiesha Mack received the PSAC rookie of the year award.

Congratulations to the Lady Rams!

# Batter Up!

## Most wins since 1996

The 2000-2001 baseball team couldn't have asked for a better season. The team accomplished its

most wins since the 1996 season finishing 22-27-1 and 10-14 in PSAC East. This year the team had a new look and a new attitude. The

team was primed for the new season by the return of several key players and several rookie upcomings. Seniors Adam Rosenthal, and Tony Pittaluga, and junior Mike Welsh are three of the Golden Ram-

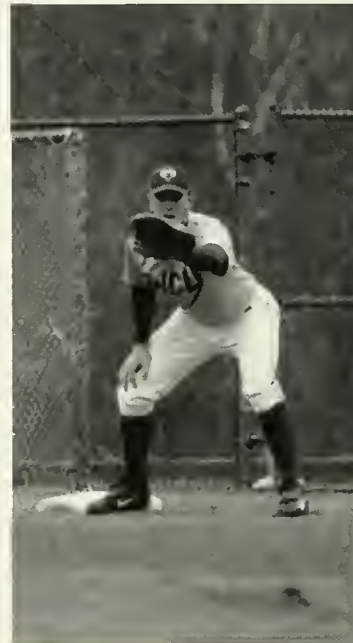

all-stars. Rosenthal gave a stellar performance earning 13 doubles, and leading in RBI's, homeruns and base

hits. Pittaluga holds the record for crossing the plate with a batting average third in the club. Co-captain Mike Welsh hit a team best .312 with 12 RBI's.

Rookie Josh Wagner showed baseball what he was made of by hitting five triples two shy of the record set in 1976.

Led by rookie coach Chris Calciانو the Golden Rams look forward to next season and the hope to find an even sweeter victory.

## Lady Rams are setting records

The softball team had its second most wins in WCU history for the 2000-2001 season. Finishing 21-31 and 6-18 in the PSAC East, this turned out to be a tiring but memorable season. The Rams had to play four of the six PSAC games in six days due to harsh weather conditions. This is only the third time the softball team has had more than 20 wins in a season. Their second best season in history couldn't have been accomplished without the record breaking performance of Lady Ram Beth Frey. Frey was out for the 2000 season and returned in

2001 setting six school records. She led the Lady Rams in every offensive category for the 2000-2001 season. Although Frey was traced to many of the Lady Rams' victories, she didn't do it alone. Freshman Falan Glynn tied the school record for playing in the most games and tied the record for 15 stolen bases, the second most in history.

# PSAC Champs

## 14 times and counting

Winning 13-2 and 6-0 in the PSAC East the Lady Rams were the NCAA Division II runners-up and 14 time PSAC Champs. The Lady Rams played hard to win 11 games in a row this season-their longest winning streak ever. The winning streak could have been non-existent if not for Lady Rams Dulcie Royer, Kim Rochon, Jennifer Roman and Shannon Eidse. Royer, Rochon, Roman and Eidse each have their own claim to fame. Royer received the MVP for PSAC and had 6 unassisted goals against Bloomsburg. She is third on the team in points and goals. Kim Rochon was awarded

Player of the Year. Roman is in the top 10 for goalkeeping and is third in Division II. Shannon Eidse leads Division II with a 6.33 points per game average. With their help the Lady Rams were able to grasp their 14th PSAC Championship. With this season being so productive, the Lady Rams look forward to claiming number 15 next year.

*Walking off of the field together, these three Rams show their team unity.*

*No matter what the temperature, spectators showed their support by cheering along the sideline.*

# Inside Out

## Running in strange conditions

Who would of ever thought that running indoors would get you so **far**? Runners such as Doug Mascherino and Kelly Walton obviously did. Running on the track team meant **practicing** year round whether it was rain or shine. This year Mascherino and Walton claimed double **victories** at the 2001 Eastern College Athletic Conference Division II Indoor Track Championship. In addition to these two competing, 22 other Rams were named All-ECAC for their performances. Among other indoor track events this spring were victories at Haverford, Widner, and Delaware. At Widner the team finished the day

with eight first place comptetors. Sophomore Laura Schultz cleared eight feet in the pole vault, setting a WCU record. At Delaware, Mascherino captured the mile in 4:19.33 in the Men's event, while junior Katie Dickerson finished 5:30.17. Both qualified for the ECAC with these **records**. The Rams also had such luck at Haverford where 12 members used the first meet at the event to **qualify** for finals. With scores like their's all across the board, the Rams definitely showed that they were **prepared** for the endurance that this season brought.

## A Winner's Creed

If you think you are beaten  
you are;

If you think you dare not,  
you don't;

If you'd like to win,  
but think you can't,  
It's almost a cinch you won't.

If you think you'll lose,  
you've lost;

For out in the world  
we find  
success begins  
with a person's faith;  
It's all in  
the state of mind.

Life's battles don't  
always go  
to the stronger or  
faster hand;

They go to the one  
who trusts in God  
and always thinks  
'I can'.

2000-2001

# GRADUATION

It's not your blue  
blood, your pedigree  
or your college degree.  
It's what you do with  
your life that counts.

— Millard Fuller

# December Graduation

As the second graduating class of 2000 walks in this "real millenium," they think about what was accomplished during their career at WCU. Know that some thought their stomachs would turn inside out in anticipation and others took on the challenge without hesitation. Reflect on who made a difference in your life and know it is now your turn to make a difference in the real world.  
J. Corzine

# May Graduation

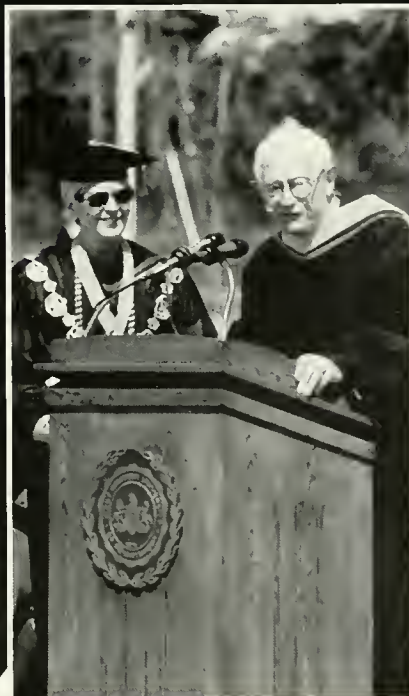

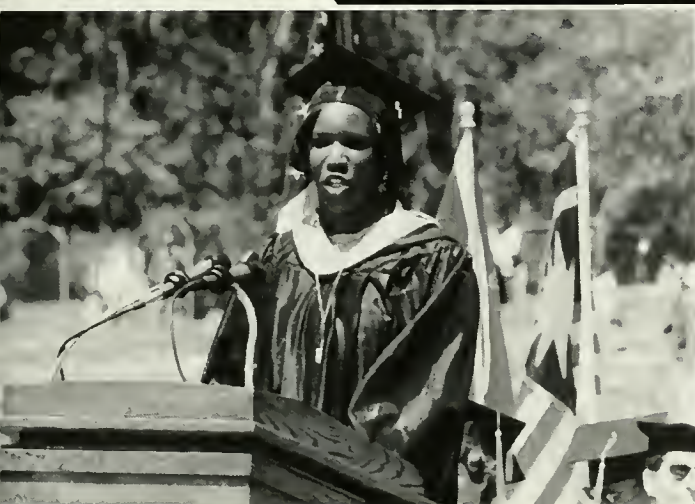

As the class of 2001 thinks about what the future holds for them, keep this in mind while continuing the road to success . . .

"Finish each day and be done with it. You have done what you could; some blunders and absurdities have crept in; forget them as soon as you can. Tomorrow is a new day; you shall begin it serenely and with too high a spirit to be encumbered with your old non-sense."

— Ralph Waldo Emerson

# CLOSING

As another academic year closes, reflect on years gone by and remember the times at West Chester University. For those students who have recently graduated, Congratulations. You have accomplished everything you came to do. You have achieved your dreams and will strive to make the best out of what life has to offer. For everyone else who remains at WCU, reach for the stars and you can accomplish anything your heart desires. The road ahead will be a bumpy one with many twists and turns that will be handled with skill and grace as your college experience continues. But remember, fear not the unknown for it can only make you stronger.

— J. Corzine

# YEARBOOK STAFF

As the 2000-2001 year ends, we complete another edition of the Serpentine. I want to give my thanks to a wonderful staff, whom this book would never have been completed without, Jen Corzine, Business Manager and the upcoming editor-in-chief, Maureen Cotellese, Sarah Danitz, Maureen Devine, Amanda Gilbert, and the added support of Katie Shaulis. Without these people, this would have been a difficult task to complete. I would also like to thank Taylor Publishing Company and Carl Wolfe Photography for all of their help and guidance in getting our book completed. I would also like to extend my gratitude to all of the people at SSI for their help. Without them we would not have the space to work or keep the many books we receive. One final thanks to the many other people who made this book possible. The extra hands of people who gave up their free time to help us out and to those who submitted pictures for this 2001 edition of the Serpentine.

## THE YEAR

# 2000

This is the "Age of Connectivity" and you're in it.

You are everywhere, thanks to the Internet.

E-mail a friend in Bangalor, shop for cool shoes at some European e-tailer, or even

watch a web-cast concert from overseas, and all from your desktop.

## TELEVISION

## NEWS TRENDS

## YOU ARE HERE

The world's getting smaller. Might even feel crowded at times. Chill. Look for signs along the road to help you find your way in this brave new world... and enjoy the ride.

## What a golden year for sports.

Michael Johnson won two gold medals in the 400 meter and 4 x 400 meter relay in the Sydney Olympics. (Must have been the shoes.)

Multiple medals also went to Maurice Green and to Marion Jones, who took home three gold and two bronze.

She's the first woman to win five medals in one Olympics.

Tiger Woods did it again. And again. And again.

As the PGA Tour Player of the year, he placed first in tournament after tournament, including the U.S. Open, the British Open and the PGA Championship.

Under a Shaq attack.

Shaquille O'Neal, with Kobe Bryant, shot the Lakers to victory against the Indiana Pacers in the NBA finals.

The golden girls of soccer settled for silver in Sydney.

# ONE GAME SET MATCH

Lance rules. Armstrong

conquered the Alps and silenced cynics, winning his second consecutive Tour de France.

His comeback from cancer makes him a double role model, to athletes and cancer patients alike.

The "Subway Series" made baseball big news.

For the first time in 44 years the New York Yankees and the New York Mets went head to head at the World Series.

New York came out on top. (As in Yankees.)

The Williams sisters continued to take the tennis world by storm. Rivals on opposite sides of the net, they're unstoppable as partners.

Venus topped a stellar year with wins at Wimbledon and the U.S. Open.

She took the gold at the Sydney Olympics in singles, and paired with Serena to take the gold in doubles as well.

It wasn't in the stars. The New Jersey Devils took the Stanley Cup back from the Dallas Stars after their nail-biting double overtime victory in game six.

D-FENSE!

The Baltimore Ravens extraordinary defense gave them the edge and a 34-7 win over the New York Giants in Super Bowl XXXV.

What goes around comes around.

Look behind the technology hype and you're sure to find recycled trends. Oh, the irony.

It's the 70s all over again.

Large tinted lenses make for look-at-me sunglasses and disco-era hairstyles return with "wings" and feathered bangs reminiscent of Farrah Fawcett's famous locks.

A new twist is the bright burst of hair color, maybe a leftover from the punk and glam rock resurgence last year.

STATE OF COOL

REFRESH

A rhinestone belt holds up your denims? Glittery studs on your faded jeans?

Totally.

England's Prince William took a "gap year" before college, following his mother's example of service and humanitarianism.

His volunteer and environmental work in Chile shows that the man who will be king is a true prince of hearts.

For the guys, the mop top is back with the "shag" hairstyle. The bed-head hairstyles of Ricky Martin and Kevin of the Backstreet Boys is typical of the macho look many stars like.

Leather whatever.

Leather is everywhere. Leather pants. Leather boots.

Everything else sparkles and shines.

We heard lots of wedding bells.

Two Backstreet Boys got hitched, Madonna married her Guy. Catherine Zeta-Jones wed Michael Douglas, and Jennifer and Brad tied the knot.

## Caution. Heavy traffic ahead.

As in new millennium traffic. It seems like the more info there is, the harder it is to be informed. Technology promises a bright new age but it's still hard to communicate.

Some things never change.

The Pope journeyed to the Holy Land and prayed for peace, while conflicts between Israelis and Palestinians raged.

Allegedly linked to the unrest, the USS Cole was bombed off the coast of Yemen. This year we remember with honors entertainer Steve Allen, actors Walter Matthau, Jason Robards, and Alec Guinness.

# SO WHERE ARE WE?

**Crash.** Technology and music went head to head, as 19-year-old Napster co-founder Shawn Fanning battled the music industry over copyright usage of downloaded music.

Firestone tires exploded on highways across the nation forcing one of the largest recalls in history.

Bill Clinton stepped out of the White House and into the U.S. Senate, a first.

And the nation waited 36 days for the drama of the 43rd presidential election to unfold.

**Another first.** After court battles and recounts, Florida's 25 electoral votes were finally awarded to Texas governor George W. Bush in the closest presidential race in history. In another dramatic sequence of events, tensions between U.S. and Cuba rose over the custody battle of 6-year-old Elian Gonzalez who was finally reunited with his father and sent back to Cuba amid anti-Castro protests.

Television gives a crash course in life lessons.

The nation tuned in to see who would be voted out in this summer's biggest smash "Survivor".

The ultimate SURVIVOR, Richard Hatch, beat all odds in order to outlast his island mates.

# ANYTHING 'ON'?

In shows like "Roswell" and "Angel," to SURVIVE means getting rid of the bad guys.

They showed that we all experience feelings of alienation, but we are not alone.

In fact, putting up with siblings, family issues and struggling to "find ourselves" are common denominators for us all.

On the local scene, many underground performers have been rocketed into the mainstream, as was Moby, the one-time New York DJ, with the immensely popular "Play," image is everything.

# LIVE BABY LIVE!

Madonna came alive (what else is new) with her new "Music," reinvigorating her original dance-music roots.

Unbelievably, this mother of two has topped the charts for some three decades now.

## Her concert,

performed in a London pub, was one of the most-watched events on the Internet to date.

And with MTV, VH1, Napster, and others, the faces of today's performers are seen live everywhere.

For pop princesses like Britney Spears, Christina Aguilera and Aaliyah, as well as the ubiquitous boy bands, image is as big as (maybe bigger than) their music.

For performers like the Backstreet Boys, LFO, 98° and especially \*NSYNC, style is the substance of pop.
